

# Insurance Broking Solutions **MediCoop Members**

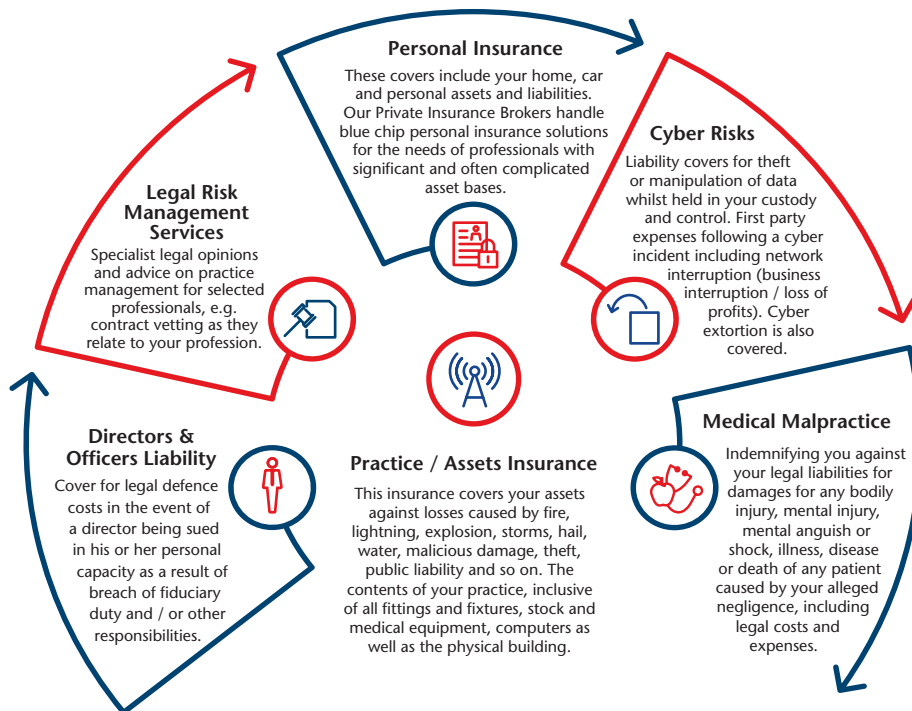

Aon has been approved as the insurance broking partner to MediCoop Co-operative Financial Institution (CFI), with the sole focus on providing comprehensive insurance broking solutions to healthcare professionals. If you are running a practice or hold a managerial position in a healthcare group, there is a very strong need for a range of insurance and liability solutions to protect your career, your practice and your personal assets.

As one of the leading medical malpractice insurance broking providers in the country, Aon is well-placed to do so.

**Make protecting your livelihood a personal and supportive experience for you through:**

**As a MediCoop member, you have access to a wide range of insurance solutions which include:**

Subject to policy terms and conditions

## Why Aon?

Aon South Africa is a leading global professional services firm providing a broad range of risk, retirement and health solutions. We're not only about placing your insurance products and policies – we're about risk leadership and risk understanding, that is, being our client's navigator and trusted advisor. Through our global network, we use data and analytics to provide insights that empower results for you and your business. We provide local qualified expertise and claims handling, keeping our finger on the pulse of our client portfolios. We strive for excellence in everything we do, from innovative products and solutions, to strong carrier and market relationships.

This is crucial as the interconnectivity of traditional and emerging risks demands a more holistic approach. As a client, you will have the power of Aon United by your side - a group of colleagues, some of the greatest minds and experts in the industry, banded together from around the world with unique skills and capabilities, delivered locally to help your business succeed, thrive, recover from adversity and grow.
